

# Supervisor Meeting

**Date:** 12:00pm, March 1st 2023

**Place:** Physics - B24

**Attendees:** Isaac Wetton, Hannah Bywood, Kate Hamilton and Kristian Dimitrov

## Items to discuss:

- Progress of the report
- Sections of the report that need to be completed asap
- Next steps suggested by Sarah

## Discussions:

- The flow of the report
- Linking all the elements of the data
- Make sure all elements flow into itself and they all link
- Good idea to start the report and do that
- If nothing has been done send over the lab book to Kate

## Decisions made:

1. Methodology done and added to the reports
2. Make sure to have drafts, upon drafts of the
